### PROFILE

IT graduate with experience in cloud infrastructure, networking, and system operations. Skilled in supporting AWS environments, troubleshooting technical issues, and working with teams to maintain reliable systems. Seeking to grow as a Junior Cloud Solutions Engineer or Project Coordinator while contributing to technology-driven projects.

### WORK EXPERIENCE

Junior Network Engineer Mar 2024 - May 2024

#### Star Matrix Technology Company | Mandalay

- Assisted with FTTH network installation and maintenance
- Configured routers and switches for internal and client networks
- Supported troubleshooting and on-site technical assistance
- Worked with senior engineers during network deployment projects

Junior Cloud Engineer Feb 2025 - Feb 2026

#### B8 ICT Solutions | Remote

- Supported AWS cloud infrastructure including EC2, S3, IAM, and VPC configuration.
- Monitored cloud resources and helped troubleshoot system and server performance issues.
- Gained practical exposure to containers and Infrastructure as Code concepts (Terraform, CloudFormation).
- Applied basic cloud security practices, including IAM access control and permissions management.
- Collaborated with remote team members to maintain stable and reliable cloud environments.
